

VILLA MARINA CAPRI
STAI SPA

The pleasure of loving oneself

Stai SPA: Our Philosophy

Pursuing excellence is our daily mission in the oasis of peace STAI SPA at “Villa Marina Hotel” with unique and exclusive stays in the name of absolute well-being and relaxation.

Our added values have always been comfort, a welcoming attitude, strong attention to detail and our team of highly trained leading therapists, providing customers with personalised attention - while the unique colours of the sea and the enchanting scenery of the Gulf of Naples turn into the background of a memorable stay. Capri is the ideal choice for unforgettable moments of well-being, in contact with the nature and the irresistible charm of an island all to be experienced.

Our team of leading therapists is waiting for you, ready to offer a unique holiday atmosphere.

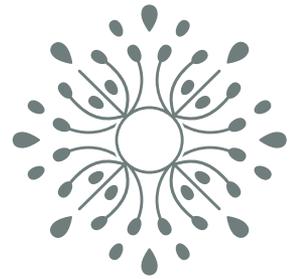

“Massage is an extremely subtle art, it requires not only skill and technique, but also a deep passion and a lot of love. As painters paint on canvas with brushes, we express ourselves on the body with oil”.

Rosaria Ascione
Senior Therapist and Pranotherapist

VILLA MARINA CAPRI
STAI SPA

The Exclusive Collection Signed Stai Spa

♦ BIOPRANIC MASSAGE

It combines intuitive strokes and acupressure techniques in order to achieve a regenerating healing effect acting simultaneously on the physical, psychological and energetic well-being of the person. "Prana", the bioradiant energy and frequencies transmitted by the hands of the pranotherapist will optimize and correct disharmonies in the energy flow accelerating the natural healing processes of the body.

70 minuti: € 220

An advanced booking is required.

♦ "4 HANDS" ANTISTRESS RITUAL

The ritual combines two oriental techniques, focusing on the extremities of the body: with the Chinese massage it focuses on the feet and with the Indian one on the head. The aim of the treatment is to relax the central nervous system and reach a state of deep wakefulness and well-being. It is particularly suitable for those suffering from insomnia.

45 minutes: € 180 (with two therapists at the same time)

♦ "NIGHT ROMANCE" COUPLES RITUAL

A personalized romantic experience where exclusive late night access of the Spa is given to couples from 9:00 pm to 11.30 pm. Spend more time together while enjoying a couples massage (50 min.) by the indoor pool and Spa facilities (jacuzzi, balsamic Finnish sauna and Turkish steam bath). To make the evening unforgettable there will be an exclusive selection of food & drinks, suitable for the occasion.

Total 150 minutes: € 680

An advanced booking is required.

◆ **BLACK SOAP SKIN RITUAL**

After a steam bath, the skin is exfoliated with “Beldi” black soap and “Kessa” glove. The black soap, the main ingredient of this ancient Moroccan-inspired ritual, antioxidant and rich in vitamin E, is obtained from the saponification of olive oil, Argan oil, water, salt, cedar and eucalyptus. This is followed by a moisturising massage (20 minutes) with very pure scented Argan oil which will give the skin softness and regeneration results.

75 minutes: € 150

◆ **FACE&BODY RITUAL**

It is a unique and refined ritual that includes a holistic massage and a personalised facial treatment performed simultaneously by two therapists.

90 minutes: € 270

Massages

Private Wellness Path Stay Spa Suite

Our wellness path is for private use only and includes indoor heated pool with jacuzzi, balsamic Finnish sauna and Turkish steam bath.

Your well-being and your relaxation in an intimate environment, where elements such as marbles and rocks, together with the sea view, will become the best source of inspiring power and new energy.

We recommend you to sip one of our herbal teas or drink some water to replenish the lost fluids. We suggest you to combine the wellness path to massages or body treatments in order to enhance their benefits.

50 minutes: € 75 (for a minimum of 2 and a maximum of 4 persons)

€ 50 per person, if you book a massage, a ritual or a day Spa

♦ FINNISH SAUNA

Our sauna is heated to 80°- 90° C (176°-194° F) and the humidity does not exceed 20%. It helps to remove harmful toxins from the body and accelerates its metabolism. Moreover, pine and eucalyptus essential oils have a healthy balsamic effect on breathing. Finnish sauna is suitable for those suffering rheumatisms, muscle tightness or tiredness, joint stiffness and respiratory problems.

♦ TURKISH STEAM BATH

Our steam bath temperature is between 40° and 45° C (104°- 122° F) with a humidity of about 100%. Thanks to sweating the body expels harmful toxins and the skin will be cleansed and purified. Steam bath is suitable for skin conditions such as acne, eczema and non-viral dermatitis. Moreover, it increases the body metabolism, fights water retention and decongests the upper respiratory tract.
